□ Notes

- Entries must be original, with no record of submission to other contests. If your work is discovered to have been submitted elsewhere your award and prize money will be withdrawn.
- Entries from other contests and plagiarized work will be disregarded for evaluation.
- Detailed evaluation criteria and procedure will not be disclosed.
- Submitted application and entry will not be returned to contestants.
- Contestant must make sure that their entry does not infringe upon the copyrights or portrait rights of a third party. All related legal responsibility is on the contestant.
- The winning videos can be used for public purposes by KAIST PR office.
- Only one work can be submitted per person. (If you are both a member and alumni, you can participate in any field, but only one work can be submitted.)
- Prize money will be paid out in April. Taxes and public charges are the responsibility of the winner.
