	<ul style="list-style-type: none">• Integration of Information Systems• Commercialization• Business and Internet Technology• Entrepreneurship
--	--

Other issues

Visa	Students are required to enter the country as tourist. Once they are in Argentina, they will be required to have a transitory residence. ITBA International Office will help every student to get this visa. Some non European or American nationalities may need and extra permission. Please send us an email to consult for any special case.
Medical Insurance	Argentinean national health insurance is mandatory as the National Health System does not recognized international companies without having pay back.
Housing	ITBA does not have students residence but a list for accomodation is offered for every student once they are accepted
Student organizations	SABF, TRAMA, Conexion, SPE student chapter, IEEE student chapter, CEITBA, AEII student chapter
